“Does it not seem reasonable that you simply obey and serve us?”

We revisit the “Letter from Your Globalist Friend,” (1999) a chilling revelation of our true political status. This is the basis of the COVID scam, “vaccines” & Great Reset.

“We want you ... to become fully integrated into our new society. Your children are not yours. They are ours. You must inoculate them, you must bring them to our hospitals if we decree or we will take them from you.”

“We supply all the money you use. At any whim of our desire we can stop the money supply or cause a complete crash all together. We can then order the president to declare all money worthless and that we will have to have new money. All of your stashes of cash will go up in smoke in a moment's time. Don't you need food? If necessary, we can cause a trucker's strike which would stop deliveries of food to your local store. We can starve you whenever we like.”

Current events are like a “Magic Eye” picture that you have to stare at for a long time. But **if you know what to look for**, the picture emerges as plain as day.

As incredible and bizarre as this sounds, a satanic (cabalistic) occult society has taken control of the planet through the central banking system. It seeks to impose its tyranny through the ruse of the coronavirus to impose world government. The scamdemic is an audacious psy-op but no greater than the two world wars which were orchestrated to slaughter and brutalize humanity and to increase the wealth and power of the central banking cartel.

A confirmation of this disturbing truth is a spine-chilling 1999 letter that dispels any illusions that we are free citizens living in a beneficent democracy. Signed, “your

globalist friend," the letter advises citizens of the world, "you are our property" and must accept servitude "for your own good."

"The days of putting a stop to us have long since past," he writes sounding like the author of *the Protocols of Zion*, also a banker.

"We have full control of the earth and its finance, along with the major media propaganda, and there is simply no way any nation or power can defeat us... We can send American or European troops to wherever we like, whenever we like, and for whatever purpose we like, and you dutifully go about our business...How much more evidence do you need? ...Does it not seem reasonable that you simply obey and serve us?"

The six-page letter appears to have been written in the autumn of 1999. I present the highlights here but urge you to read it in full.

The letter could be a hoax but I think it describes our present reality. It is consistent with what many conspiracy researchers have discovered independently, yet more vivid and insightful than anything they could fabricate.
